BRAD GRILLS

PREMIER SPORTS AND LEISURE

Dear Brad,

On behalf of myself and The Mac Services Group, I would like to take this opportunity to thank you for the impressive multi-purpose court built at our Sports Facility for the Accommodation Village in Coppabella. It certainly makes a statement as our clients enter the village.

As a Project Manager, I have enjoyed working with your team. I have found your company to be most cooperative and efficient in producing a quality product and always contactable when required to ensure programme targets are met. You have demonstrated an ability to work in a team environment, coordinating well with the varied subcontractors on site whilst maintaining an awareness of the importance of OH&S and demonstrated an ability to adapt to design changes with minimal fuss.

Your professional advice on the types of equipment was very informative and we are pleased with the quality of each piece of equipment chosen. Feedback from our clients has been positive and our Village maintains a high standard of remote living in mining accommodation.

I would have no hesitation in utilising your company's services and would recommend your product to other companies. I wish you well.

Please do not hesitate to contact me for further information.

Regards

Michael Grosvenor
Project manager
